#### Research grant for doctoral students of the Faculty of Humanities

The Faculty of Humanities of the University of Pannonia is opening a research grant for full time doctoral students of the Faculty.

The research grant supports the realization of the third mission of the Faculty of Humanities by helping doctoral students with promoting their research results and helping their integration into the international research community by supporting their giving talks and presentations at conferences and workshops. The grant is meant to support travel and/or expenses, as well as registration fees.

Application is open for all doctoral students of the Faculty of Humanities.

Awarding the grant is going to be based on the decision of the Faculty Grant Committee.

Application deadline: continuous (however, students should apply **well in advance**, preferably at least a month before their conference participation)

Grant amount: HUF 100.000 Ft/year/student.

Grant period: continuous

Grants can only be wired to the account of students in their active semesters.

Grant applications must be handed in either personally at the Doctoral School (8200 Veszprém, Wartha Vince street 1., building N, office 212) or electronically at the following email address: [schrenk.veronika@htk.uni-pannon.hu](mailto:schrenk.veronika@htk.uni-pannon.hu). The application material must contain the grant application form with the applicant's personal data filled in as well as a personal motivation letter, grade point average so far, proof of activities in doctoral students' self-government, proof of abstract acceptance and a brief financial plan about the types of planned expenses and the exact amounts in EUR or HUF to be covered by the grant.
